

## Summer Opportunity for College Students

- Know of a college student looking for a great summer job?
- Do they enjoy working with people?
- Do they love the outdoors?
- Do they want to earn a few college credits while getting paid?

We are currently looking for college students ages 18-25 for our summer program staff. These students help lead our campers in a wide variety of areas including archery, swimming, ropes course, canoeing as well as assisting in the areas of registration, food service, and housekeeping. The program staff is vital to what we do at camp and we are looking for a great team of people for the summer of 2012! This is a wonderful opportunity to spend a summer in ministry, learning new skills, and connecting with people all over the Intermountain District. We are currently taking applications through February 15. To request an application or to get additional information please contact Kyra Waitley at [kyra@amgidaho.com](mailto:kyra@amgidaho.com).

## Saying Goodbye

At the end of December, the Camps Board received Mike Crevelt's resignation as Camp Manager after 9 plus years at Trinity Pines. The Crevelts will remain in the Cascade area until Barb is through teaching school and Dylan graduates – and while Mike searches for employment at another Christian camp facility.

The Crevelts have been the face and voice of Trinity Pines for nearly a decade. As guests of Trinity Pines, you have been welcomed by them. They will be missed.

When they moved from Boise to Cascade the three boys were fairly young. It has been fun to watch them grow and develop and it is hard to believe that Dylan will graduate this year.

Mike has helped to develop many facilities and programs during his tenure at the camp and his legacy of camp leadership will be felt at Trinity Pines for many years to come. Someone who heard of the Crevelts' departure asked about Coda, the camp dog. To our knowledge Coda is part of the Crevelt family and has submitted his resignation also as camp mascot.

Our prayers and deep appreciation are with Mike, Barb, Dylan, Crosby, and Logan (and Coda) for making Trinity Pines a part of their lives these past nine years. We wish them our very best as they relocate and continue their ministry in Christian camping.

The Camps Board Executive Committee has started the process of searching for a replacement. The new position will be titled Camp Administrator. If you know of someone who might be interested, please have them send a letter of inquiry and a resume to me at the District Camps Office, 55 SW 5th Ave., Suite 100, Meridian, ID 83642 or to my email [rick@amgidaho.com](mailto:rick@amgidaho.com).

## Be On the Look Out For . . .

**Old Manure Spreader:** We have need of a manure spreader to use for care of the meadow area at camp. This can be a pull behind and does not have to be operated by a PTO. *We are into antiques.*

**Sleeping Bags:** We have feast and famine. Sometimes we have sleeping bags left and often we have people show up who do not have a sleeping bag or forgot to bring one. We are in the famine stage now and are looking for good sleeping bags that we can build into our inventory. These need to be able to be washed in our machines and not require dry cleaning.

**Computers:** If you have computers that are less than 3 years old, please let us know. We are looking to do some upgrades. Sometimes businesses will upgrade and donate their used computers to non-profits like the camp.

**Refrigerator:** In the lower level of the Conference Center, we maintain a kitchen size refrigerator for our guests (special diets) and other personal use (medicine, etc). The one we have is indicating that it is getting tired. We don't care what color (prefer cream or white); we will look at anything. Give us a call - 888-0988.

## Update on Lodge #3

We have continued to see funds flow into the Centennial Partner program allowing us to continue work on plumbing and electrical this fall. We are now waiting to install the sprinkler system and then insulation and wallboard.

## **Thank You!**

Thanks to Les Bishop, Valley Shepherd, for keeping his eyes open for commercial washing machines. He did not find a commercial washer but discovered two 1-year-old Speed Queen commercial dryers. We purchased two for a great deal – even with the warranty remaining. Let us know if you stumble across some commercial washing machines.

Thanks to Bob Thorne, Valley Shepherd, who picked up the dryers and is storing the purchased appliances until they are moved to Trinity Pines.

We would also like to express our appreciation to Ron & Nancy Manley who assisted with the deep cleaning of the kitchen, November 28-30. They did an incredible job cleaning the ovens, grills, and racks. They look like new!

Thank you to Ray Becker who converted the west kitchen steam table from stationary to rollers for use in the dining hall.

## Share the Dream VI

Plans are being discussed for Share the Dream VI We are looking at a new venue, new date, and even using our very own Chef Brad to be the caterer for the evening meal. Stay tuned for more details.

## Winter Weekend Volunteers

We have some large groups on the calendar for January and February. If you would like to be a volunteer to assist in the kitchen and perhaps remain at camp on Monday to help clean and prepare for the next group, please contact our office in Meridian and we will add your name to our contact list of individuals to assist with large weekends. We are not sure where you might be sleeping so remain flexible. You do need to be physically able to handle standing, lifting, and food service type of tasks. Give us a call at 888-0988.

## Want To Volunteer This Summer?

We are always looking for adult summer volunteers for a month, a week, or even the entire summer. It is helpful if you have your own housing.
