Kitchen Work Week November 29, 30 & December 1

Will you be a part of our first ever "Kitchen Work Week" at Trinity Pines? We will be removing everything from the kitchen, cleaning all walls, floors, ovens, coolers, etc., and then putting everything back in place. Housing will be provided in the cottages with very simple "crock pot" or "soup" meals. Please contact Chef Bradley (trinitypinesbrad@frontier.com) or Mike Crevelt at Trinity Pines (208-382-16200), if you are interested in helping.

Financial Help Needed

New snow tires for the camp Suburban were a must and the total bill was over \$800. If you would like to help defer some of this cost, please clearly identify your investment as "tires".

New Zip Line Tower

The Camp Development Committee purchased four new power poles from Idaho Power and have had them placed in the Challenge Course area to construct a zip line tower. This will allow us to have two zip lines. Word was received recently that Karcher Nazarene Church plans to take on the tower as a special project in the spring of 2012. The zip line tower will be a great addition to the Challenge Course.

Update on Muldova Project

The total amount that was raised from summer camps 2011 for Muldova was \$1826.03. Way to go campers!

Directors, Dates & Rates for 2012

The Camps Board has appointed directors, set dates, and established rates for 2012 district-sponsored summer camps. Information is listed below so that you may start your plans for next summer.

Restaurant Closing

We got wind of this announcement through Craigslist. We were off to Kuna to visit the previous owner of a restaurant called the Firehouse. The Lord's timing was great and we fell into a pile of kitchen equipment that was cents-on-the-dollar in value. While we were settling our bill, another buyer walked up and indicated they were interested in much of the equipment that was already in our pile. Praise the Lord for His timing in leading us to this sale.

Lost and Found

We have several Bibles in the Meridian office that were left at Trinity Pines this summer. If you are missing a Bible, please contact our office (208-888-0988).

Items We Are Watching For:

- ➔ Reefer truck: does not have to be on wheels but needs to have a good refrigeration unit. We would plan to use it for storage of fresh food items, allowing us to purchase larger quantities during the fresh food season
- ➔ Commercial washing machine to handle the laundry needs at Trinity Pines

Lodge #3

The lodge is closed up for the winter with siding and roof. We are pleased with the work that was completed through funds made available by contributions to the Centennial Partner Program. As additional funds become available, we will continue our work on Lodge #3 with a completion date of fall of 2012.

Trinity Tuesdays

Here is a “yummy” way to help support Trinity Pines Camp and Conference Center! 20% of the money you spend on delicious frozen yogurt at Aspen Leaf in Eagle goes straight to your camp and conference center, Trinity Pines. It’s sweet and simple...
