

ONE DOLLAR A DAY

At District Assembly, we introduced the new program called “One Dollar.” Enclosed in this Camp Monthly are more details about the concept. The bottom line is that there are a few givens:

- 1) Daily costs are what they are to operate Trinity Pines. There are no free lunches in life, and a Christian camp is no exception.
- 2) We have former campers from Victory Cove and Trinity Pines that are no longer connected with the current camping operations, but carry strong memories and great life-changing experiences with them from camp. Help us get them on board.
- 3) Going forward, we need to maintain a strong connection to Camp Partners who will help sustain the future of the camp for generations to come. Someone provided for us, now it is our turn to return the favor.

Please take a moment to look through your immediate family, your church family, and your friends. Share the goal and mission of Trinity Pines. We strongly encourage you to load up some friends and pay a visit to the camp this summer. Check in at the office, get a cold drink, sit on the deck of the Conference Center and soak in the rich blessings of Trinity Pines. So many of our district church family have never physically been to the camp. It is a beautiful day’s drive from many parts of the Intermountain District. You will find a knowledgeable and friendly staff on-site who can answer your questions. You will see first-hand the development of property and facilities over the past 17 years.

Be the one that helps us with the “One Dollar” campaign to reconnect with those campers that are now a vital part of the workforce and who can do their part to help sustain and provide for the future of the camp for future generations.

Rick Waitley

CAMP MONTHLY

Do you like our new look? We decided it was time for a change and a new image. We still have the same type of information, just presented in a different style and appeal. Always feel free to send Cindy names that you would like to receive Camp Monthly either in their electronic or physical mailbox. You can contact Cindy at 208-888-0988 or cindy@amgidaho.com.

SEWING MACHINES

Thank you for the great response on the request for sewing machines at the camp! You met our need, and we appreciate those who stepped forward.

I MISSED EARLY BIRD!

So I missed the deadline for early bird registration - *what now?* We've had nearly 900 campers so far enroll for summer camps, taking advantage of the early bird registration. We still encourage you to submit your camper registration form so that we know you are coming and can plan for food, crafts, and housing. Any advance notice of your campers' attendance is appreciated. Final payment for all camps must be made the day of registration.

CASCADE FOOD PANTRY

The Cascade Food Pantry has been the recipient of food donations from Trinity Pines. They recently celebrated their 4th Anniversary. Driving this effort is Lori Anderson; Lori and her daughter have both been employed at Trinity Pines. If you are making a trip to Trinity Pines and have some extra items to donate, drop them by the Pantry (located across from the Cascade airport). Last year they gave away over 750,000 lbs. of food.

100th ANNIVERSARY

On January 1, Valley County and the City of Cascade kicked off a year-long celebration of their 100th Anniversary. Don't be surprised anytime during 2017 if you see activities taking place to add to the festivities. Congratulations, Cascade!

SNACK SHACK

When you visit the Snack Shack this summer, you will find some new items! We have been shopping all winter and have some great new features for the summer ahead. We will have new short-sleeve and long-sleeve shirts for kids and adults, as well as a new hoodie sweatshirt! Plus, the popular items are back - like candy, ice cream, and refreshing beverages. Plan to make the Snack Shack one of your summer camp experiences.
