

A VITAL ROLE IN CAMP OPERATIONS

On June 1, the Camps Board and the Camp Property/Development Committee assembled at Trinity Pines for their annual walking tour of the property and facilities. Very few people, aside from spouses and family members, would know and appreciate the hours that these folks invest each year in Trinity Pines operations. Camp Board members serve on a number of sub-committees that address specific issues. Property/Development Committee members are often on special Ad Hoc Committees that work on a specific building or a facility issue at camp. What you see at Trinity Pines is a direct result of these individuals - and those before them - making significant decisions and giving direction to personnel, finances, property development, policies, and programming. When you see these folks, please give them a pat on the back and say thanks for what they have done to make Trinity Pines a great place.

CAMPS BOARD (ELECTED BY DISTRICT ASSEMBLY)

TRINITY PINES CAMP + CONFERENCE CENTER

CASCADE, IDAHO

JUNE 2019

LUNCH & Learn

Churches in the Magic Valley can participate in a Trinity Pines Lunch & Learn on Tuesday, July 16 at Idaho Joes in Twin Falls. Reservations are required through Cindy in the Meridian Camp office by email at cindy@amgidaho.com or by calling 208-888-0988. Flyers are being sent to all Magic Valley pastors to distribute and encourage attendance. Remember, you must bring someone with you as a guest to help them learn about Trinity Pines! Thanks to a special gift, lunch is complimentary.

PAINTING CREW: We are looking for volunteers who are skilled in and like painting (interior or exterior) for some projects at the camp. A special postcard was mailed to everyone. If you are available to spread some paint, let us know and we will work with the calendar and get you scheduled.

FOLDING CHAIRS: We have hundreds of folding chairs that were moved from Victory Cove. If you would like, you can purchase folding chairs for \$5/each. Not only can you get a great folding chair, but you can have a little Victory Cove history right in your home.

GOLF CARTS: We are searching for three gas-powered golf carts. If you have access or know of any good used golf carts, please let the Cascade or Meridian Camp offices know.

LARGE ROUND TABLES WITH PEDESTALS: We have a number of large 60" round tables available that easily sit 8-10 each. They are not folding tables. However, if you know of someone who could use these tables, please contact Anthony at the camp 208-382-6200.

SUMMER MISSION PROJECT: During the summer, Intermountain District camps at Trinity Pines will be generating funds through offerings for needs at the Cascade Elementary School. We continue our efforts to be a good neighbor to our friends in Cascade. One of the projects is a school garden activity for elementary children. Be sure your campers take a little extra spending money for this project.

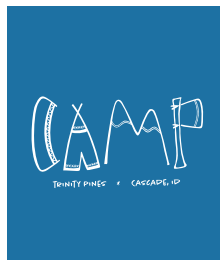

NEW IN THE CAMP STORE: Campers will have a chance to purchase one of the new shirts below. We have lots of other fun camp souvenirs for you!

SHORT SLEEVE TEE

SHORT SLEEVE TEE

KIDS SS TEE

ZIP SWEATSHIRT

HOODED SWEATSHIRT

LONG SLEEVE TEE

SPECIAL PICTURES FROM ASSEMBLY: Thanks to those who purchased Trinity Pines pictures that will be displayed in the new office area at camp as well as in other locations in the Conference Center. Those sponsoring the pictures included: Keith & Sally Jones, Lynn & Sandy Nicholson, Dave & Joy Streight, Trevor & Michelle Caster, Kerry & Tami Rayborn, Nathan & Jacquelyn Capen, Nic & Kyra Gibson, Anthony & Serena Henry, Byron & Becky Henry, Brian & Bonnie Higgens, Church of the Nazarene Foundation, and Rick & Dorita Waitley.

150 CLUB: Thanks to those who are donors to the 150 Club (outreach for kids not affiliated with a church to attend summer camp). These funds were used recently for nine children affiliated with the Boise Rescue Mission to attend summer camps this year.

RESULTS OF THE JUNE 1 PROPERTY WALKING TOUR

CONCRETE TO BE PLACED: Because of the large amount of snow and moisture that comes off the Conference Center roof, the boards agreed to place concrete (with proper drainage) between the sidewalk and the new office area. The plan is to put pots of flowers there each summer to make the area more inviting.

PAVERS: The original list of pavers has gone to the engraver (126). There will still be time to purchase a paver after you see the project completed. Thanks to Basalite in Meridian for their donation towards the purchase of the pavers. If you want more information about the Paver project, contact Cindy at 208-888-0988.

INTERN HOUSING: The decision was made to start preliminary planning for intern housing near the farmhouse. This will be a multiple dwelling unit that can be used year-round.

CONFERENCE ROOM: The decision was made to install a drop ceiling in the old office area (hiding a number of pipes, ducts, etc.) and create a nice conference room area. There is a small conference room in the new office area that is being used to negotiate contracts. We are looking for a nice 60" wooden round conference table or an oblong table (no more than 6' long) to put in the new conference room. Give Rick a call (208-888-0988) if you have availability of one.

PROTECTION OF AC EQUIPMENT: The new AC equipment for the Conference Center is located off the parking lot. The board addressed covering this area for security with cedar while still allowing ample air flow to operate the units.
